This book has discovered a completely new way of testing your knowledge. Instead of having complicated questions at the end of every well written chapter, you are tested as you read it. Most tutorials make it too easy to just cut and paste code into your editor and compile and see the results. This does not work with "EJB 2.1 Kick Start". Find helpful customer reviews and review ratings for EJB 2.1 Kick Start at Amazon.com. Read honest and unbiased product reviews from our users. Not just another EJB book, EJB 2.1 Kick Start distinguishes itself in two key ways. First, author Peter Thaggard builds his examples from the new paradigms introduced in EJB 2.X rather than simply rewriting EJB 1.0 code. The changes in EJB 2.X programming-- particularly in the areas of deployment ...

Book Description. Not just another EJB book, EJB 2.1 Kick Start distinguishes itself in two key ways. First, author Peter Thaggard builds his examples from the new paradigms introduced in EJB 2.X rather than simply rewriting EJB 1.0 code. The changes in EJB 2.X programming-- particularly in the areas of deployment descriptors and data persistence--require a new way of thinking about application ...
