

Download Genesis Coupe Manual Transmission Fluid

I'm sure no one loves the manual transmission. I've posted off and on, mostly in the SOVA thread, about not being able to downshift and not being able to make a full power 1-2 shift without going slooOOW. Changing my motor oil I decide to try something else having access to just about any transmission fluid on hand. Our Transmission Fluid OEM and aftermarket parts range from \$19.99 to \$19.99 for the Hyundai Genesis Coupe. If you're interested in a specific brand of Hyundai Genesis Coupe Transmission Fluid products, we carry popular brands like Pentosin. Manual Trans Fluid for a Hyundai Genesis Coupe Use the fitment form at the top of the page to select your exact year and engine type for your Hyundai Genesis Coupe. Pentosin - ATF1 Automatic Transmission Fluid (1 Liter) (Part No. 1058107) The official maintenance schedule can be found in the manual. For 2010-12 years it states for normal use, manual transmission fluid should be inspected every 30k mi or 48k km. Automatic transmission fluid should be inspected every 37.5k mi or 60k km. None of the transmissions in this car have a dipstick to check the fluid level.
