

# Download Vizio Tv Manual Channel Scan

Select Auto Search or Auto Channel Scan. (This varies by model.) When the search reaches 100% complete, exit to the menu. Check the available channels: Antenna or direct-from-wall cable—Press the Channel Up and Channel Down buttons on your VIZIO TV remote to view the available channels. Press the Menu button on your VIZIO remote and select CHANNELS. Select the option that says FIND CHANNELS. Once the scan is completed it will say DONE. Press the OK button on the remote once. This will go back to the channels menu and then you can press the EXIT button to leave the menu. Use the VIZIO remote to change your channels. The VIZIO Support homepage provides the latest trending support topics and support videos, user manuals, product registration, along with tech specs and troubleshooting steps. This page shows how to perform a channel scan on your VIZIO E series HDTV buttons on your VIZIO TV remote to view the available channels. If this does not resolve the issue, clear the TV memory (STEPS), and then re-run the channel scan: 1. Turn off the TV. 2. Unplug the TV from the electrical outlet. 3.
