

Download Words To Actions Feelings

An emotional vocabulary is one in which language accurately describes how you are feeling. While, as parents, we will actively encourage our kids to express their feelings with words, as adults, we often fall short. This is often because, as adults, we are expected to be better adjusted and stable. EnchantedLearning.com is a user-supported site. As a bonus, site members have access to a banner-ad-free version of the site, with print-friendly pages. We've put together a handy list of amazing adjectives you can use to describe tone, feelings and emotions - good or bad. The English language would be very dull without adjectives. They dress up our nouns whenever we need to punch things up a notch. List of emotions: feeling words and emotion words with pictures. Descriptive adjectives to describe people in English. Personality adjectives, character traits and personality traits in English.
